Wrigley Field Rooftop Club

Sponsored by:

The Wrigley Field Rooftop Club is located down the right field line. It's one of the closest Wrigley rooftops to home plate and closer than many of the seats located inside Wrigley Field. The all-new facility was built in 2008 and is the newest facility overlooking Wrigley Field. This rooftop at Wrigley Field has the largest rooftop capacity with more stadium seats than any other rooftop, and we offer extra-wide stadium style Cubs rooftop seats. On the Rooftop Level, The Wrigley Field Rooftop Club features large tables and the number one rooftop bar in Chicago. The large climate-controlled Club Level includes a large bar area with tables and chairs throughout. The numerous plasma TVs ensure not one second of the game is missed.
